COMPANY PROFILE

Our company was established in 1987 as a printing and packaging industry in Dakshina Kannada, with a noble intention of providing good quality printing and packaging solutions to our customers and also generating employment in the rural sector. Over the past 4 decades, we have been able to fulfill the demands of our clients with respect to quality.

With considerable growth in this sector, we have acquired the latest state of the art machineries which are well equipped to handle the ever growing demand in the printing and packaging sector. It will go a long way in increasing our customer database and also ensuring that we give the best output to our customers with respect to quality and other parameters.

We have skilled manpower in all our departments to cater to the ever growing demands in the printing and packaging sector. We continue to evolve and strive to satisfy the requirements of our customers.
